DETAILED ACTION

Current Status

1. This action is responsive to Applicants' amendment of 6 January 2006.
2. Receipt and entry of Applicants' amendment is acknowledged.
3. Claims 1-11 are pending in the application.

Allowed Claims

Claims 1-11 are allowable over the prior art of record.

Reason For Allowance

The following is an examiner's statement of reasons for allowance:

Applicants' claim a composition comprising an organic or aqueous liquid having dissolved or dispersed therein a mixture of fluorinated polyether of the general formula I and a method of altering the surface energy and/or the interfacial free energy of a medium with the said composition;

formula I,

wherein all the variables are as defined in the claims. The process was neither found to be obvious nor anticipated by the prior art of record.

The closest prior art is Bartlett, {US 3,839,425}. Bartlett teaches an aqueous fire extinguishing composition of fluorinated polyether compounds. However, applicants argue that the reference disclosure fail to render the claimed subject matter of claims 1-11 obvious to one of ordinary skill in the art. Applicants contend that the present invention claim a composition with organic liquid while Bartlett teaches composition comprising of water as solvent, NaOH and HCl.

Applicants' argument is found persuasive because these differences are not readily apparent and would not have been suggested to one of ordinary skill.

A search of the prior art failed to uncover any reference that teaches or motivates one of ordinary skill to disclose a process a composition or fire-fighting agent comprising an organic or aqueous liquid having dissolved or dispersed therein a mixture of fluorinated polyether of the general formula I as claim by applicants.

All claims (1-11) are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
